2020 Satisfactory Academic Progress Policy

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at TIGI Hairdressing Academy. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education. This policy is for an academic clock hour year of 900 hours.

Evaluation Periods:

Students are evaluated for Satisfactory Academic Progress as follows:

Cosmetology: 450, 900, 1200 (actual) hours

*Transfer students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have ample opportunity to meet both the attendance and academic progress requirements of at least one evaluation by midpoint in the program.

Attendance Progress Evaluations:

Students are required to attend a minimum of 67% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations

are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, TIGI Hairdressing Academy will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

Maximum Time Frame:

The maximum time which does not exceed 150% of the course length allowed for students to complete each program at satisfactory academic progress is stated below:

Program	Maximum Time Allowed	
	Weeks	Scheduled Hours
Cosmetology		
Full Time (35 hrs / 44 wks)	66	2250
Part Time (25 hrs / 62 wks)	93	2250

The maximum time allowed for transfers students who need less than the full course requirements or part-time students will be determined based on 67% of scheduled hours. Students who exceed the maximum time frame will be automatically terminated.

Academic Progress Evaluations:

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical's are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 70% and pass a Final written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

Grading scale:

100%	A+
90-99%	A
80-89%	B
70-79%	C
Below 70%	Fail

Determination of Progress:

Students meeting the minimum requirements for academics (70%) and attendance (67%) at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Progress may have their Title

IV funding (if applicable) interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

Academic counseling sessions with students are provided ongoing as needed.

Warning:

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, student may be deemed ineligible to receive Title IV funds.

Probation:

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

Re-Establishment of Satisfactory Academic Progress:

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the probationary period. Students who reenter will reenter under the same satisfactory academic progress status as in place at the time the individual left if they were determined to be on probation, then they will reenter on probation. Additionally, when using probation, it must last until the next scheduled evaluation point

Interruptions, Course Incompletes, Withdrawals:

Effective 4/13/2019, the leave of absence policy is rescinded. If a student needs to be absent for an extended period of time they will be required to withdraw from the program.

Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

Students who withdraw from the program are required to gather all personal items. Any items left behind by the **student will be stored for 60 days, at which time the items become the property of TIGI Hairdressing Academy**

Students wishing to withdraw must notify the school. If a student does not notify the school, they will be withdrawn after 14 consecutive calendar days of absence. Upon a student's withdrawal, a refund calculation for any and all Title IV funds will be conducted in accordance with Department of Education regulations. Additionally, a withdrawal settlement calculation will be completed to determine what monies are owed to the school per the enrollment agreement terms. A student will receive notice of withdrawal via email, as well as a copy sent to their mailing address on file. Students wishing to withdraw and transfer to another institution must attend an exit interview and pay all monies owed the school or make satisfactory arrangements for debts as approved by TIGI Hairdressing Academy. An Official Transcript of Hours will be issued to students who withdraw prior to program completion when the student has successfully completed all the above requirements.

Appeal Procedure:

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within 10 calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to TIGI Hairdressing Academy on the designated form with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

Incompletes, Repetitions, Noncredit and Remedial Courses:

Incompletes, Repetitions, non-credit and remedial courses do not apply to TIGI Hairdressing Academy. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

Student Grievance Procedure

In accordance with TIGI Hairdressing Academy mission statement, TIGI Hairdressing Academy will make every attempt to resolve any student complaint that is not frivolous or without merit. Complaint procedures will be included in new student orientation thereby assuring that all students know the steps to follow should they desire to register a complaint at any time.

Evidence of final resolution of all complaints will be retained in TIGI Hairdressing Academy files in order to determine the frequency, nature, and patterns of complaints for the institution. The following procedure outlines the specific steps of the complaint process.

1. The student should register the complaint in writing on the designated form provided by TIGI Hairdressing Academy within 30 days of the date that the act which is the subject of the grievance occurred.
2. The complaint form will be given to the TIGI Hairdressing Academy Director.
3. The complaint will be reviewed by management and a response will be sent in writing to the student within 30 days of receiving the complaint. The initial response may not provide for final resolution of the problem but will notify the student of continued investigation and/or actions being taken regarding the complaint.
4. If the complaint is of such nature that it cannot be resolved by the management, it will be referred to an appropriate agency if applicable.
5. Depending on the extent and nature of the complaint, interviews with appropriate staff and other students may be necessary to reach a final resolution of the complaint.
6. In cases of extreme conflict, it may be necessary to conduct an informal hearing regarding the complaint. If necessary, management will appoint a hearing committee consisting of one member selected by TIGI Hairdressing Academy who has had no involvement in the dispute and who may also be a corporate officer, another member who may not be related to the student filing the complaint or another student in TIGI Hairdressing Academy and another member who may not be employed by TIGI Hairdressing Academy or related to TIGI Hairdressing Academy owners. The hearing will occur within 90 days of committee appointment. The hearing will be informal with the student presenting his/her case followed by TIGI Hairdressing Academy response. Corporate management shall consider the report and either accept, reject, or modify the recommendations of the committee.

VA Student Satisfactory Academic Progress Policy

The VA is not accepting any Standards of Academic Progress policy that does not have a definitive termination when VA students are not in compliance with the policy.

Veteran students using GI Bill® educational benefits must adhere to the school's Standards of Academic Progress (SAP) to remain eligible to receive VA payments. If a VA student is not meeting the requirements of the SAP at an evaluation period, the VA student will be placed on academic probation for the subsequent evaluation period. If the VA student does not meet the requirements of the SAP at the next evaluation period, the student will be suspended from using their VA educational benefits until satisfactory standards of progress have been achieved.

The school may allow a VA student to continue while their VA benefits have been suspended, but they will not be certified for VA benefits for that enrollment period. A VA student cannot be certified to use their VA benefits during an appeal, but if successful in their appeal, they can be certified retro-actively for that enrollment period to the VA.
